The cooperatives

CAMPO BASE and T41A are two branches of the same cooperative: they are type B social cooperatives, which means that **their main aim is the inclusion of people with disabilities and people with fewer opportunities through work integration activities**. CAMPO BASE operates in the sector of fruit and vegetable and livestock sector according to the organic method; whereas T41A has a Day Centre that organises activities for people with disabilities.

They organise **social integration activities** thanks to projects with schools and other urban realities. This last innovative aspect of the company allows to bring any citizen closer to new realities, such as **disability** and **respect of the environment** in which we live.

Today CAMPO BASE, together with its working partners, **cultivates about ten hectares of land** (vegetables) and raises a small courtyard animals, following a **natural, ecological method** and above all respecting the individual.

They support **the principle of "ZERO WASTE"**, since all waste is reused not only for feeding the chickens but also for composting. In this sector too, both agricultural workers and workers from disadvantaged categories are involved. They sell their agricultural products in the market in a shop and in a restaurant that they manage.

WHERE?

PESARO

Pesaro is a city and Municipality in the Italian region of Marche, capital of the Province of Pesaro e Urbino, on the Adriatic Sea, with a population of around 95.011 inhabitants, making it the second most populous city in the region, after Ancona.

Pesaro is recognised as "Cycling City" (Città della Bicicletta) in recognition of its **extensive network of bicycle lanes** and promotion of cycling. It is also known as "**City of Music**" as it is the birthplace of the composer **Gioacchino Rossini**. The historical centre of Pesaro is rich of points of interest like Palla di Pomodoro, the Conservatorio, the theatre, the museums, the fountain in the main square and casa Rossini.

It is located between **two coastal hills**, the San Bartolo and the Ardzio, so you can **enjoy both the seaside and hiking in the hills**. The San Bartolo, in particular, is a Natural Park so you can also discover its beauty and the small towns near it.

Thanks to Rossini, **Pesaro is famous for Pizza Rossini**: a pizza garnished with tomato sauce , mozzarella, boiled eggs and mayonase. It can sound weird at the beginning, but you have to try!

THE SELECTION PROCESS

1. Send your **CV** and a **cover letter** related to the project to candidates@vicolocorto.org
2. Then you **will be contacted for a Skype interview**. There is no need of speaking good English, in case you can ask your sending organization to help you. **Don't worry, it will not be a job interview or an English test** but it will be an opportunity to know your personal motivation and expectation and to discuss about the project, the city and the opportunities.

THE PROFILE OF THE VOLUNTEERS

The volunteer's profile our organization is looking for is based on the following criteria:

- **Personal motivations.** We value the volunteers' interest in the programme proposed and the expectation towards this experience more than specific skills: everything you need to do your service will be learnt here!
- **English and Italian level.** Italian or English are not needed, of course, a survival level will be helpful to get by in everyday needs, especially because you will be probably in touch with people who don't generally speak foreign languages. This experience is also your opportunity to improve your communication skills!
- **Interest in working with people.** Working with people is essential to our work. We also value creative, proactive and self-motivated people.

MORE ABOUT THE SELECTION PROCESS

VICOLOCORTO is the **Coordinating Organisation** taking care of the practical, follow-up, support and training arrangements **during your volunteering project**.

As a very quick view, **Vicolocorto has more than 10 years experiences in the field of Mobility projects and Volunteering** and we have been coordinating more than 200 host volunteering mobilities so far. It is very important for us that you enjoy this opportunity to live an immense and intense learning journey. **We really need to underline some important points and really need you to know and agree with all the logistical points to avoid any misunderstanding once here.**

CAROLINA, will take care of the selection process.

Nice to meet you!

I will be the one writing to you on candidates@vicolocorto.org and we will get to know each other during a Skype interview. I am waiting to know your motivation and I am ready to answer to all your question!

MORE INFO BEFORE LEAVING

ACCOMMODATION

You have the opportunity to enjoy the volunteering life **in a flat with other volunteers**. Cleanliness is everyone's job. Volunteers are expected to reach an agreement on planning house cleaning. If you have problems finding an agreement, we help you and support you in finding a solution.

Sharing, we know, is not easy, it is even harder when you do not know the people you are living with, who have decided as you, to start this experience. But **flexibility, understanding** and most of all **communication** are the keys for having a positive experience, even if everything won't be perfect!

The lodging of anyone outside our project (friends, family, etc ...) is not allowed.

ATTITUDE

You will spend most of the time with different people (target groups, professionals, local volunteers, etc...) who are anxious to know you, to show you who they are and what they can do, to teach you at different levels, to give you warmth and their confidence. **The impact that you can bring as a volunteer is greater than you can expect.** You need to receive but also to give back. **Participation, initiative, sense of responsibility and flexibility** are important and welcome. From both parts (Coordinating and Hosting organisations), we hope to make you feel comfortable, empowered and proactive.

All the persons involved in the project are always trying their best to reach your expectations, if you show the willingness to do so.
